understanding and treating patients in clinical psychoanalysis lessons from literature describes the problematic ways people learn to cope with life's fundamental challenges such as maintaining self esteem bearing loss and growing old people tend to deal with the challenges of being human in characteristic repetitive ways descriptions of these patterns in diagnostic terms can be at best dry and at worst confusing especially for those starting training in any of the clinical disciplines to try to appeal to a wider audience this book illustrates each coping pattern using vivid compelling fiction whose characters express their dilemmas in easily accessible evocative language sandra buechler uses these examples to show some of the ways we complicate our lives and through reimagining different scenarios for these characters she illustrates how clients can achieve greater emotional health and live their lives more productively drawing on the work of dostoevsky tolstoy munro mann james o connor chopin mccullers carver and the many other authors represented here buechler shows how their keen observational short

fiction portrays self hurtful styles of living she explores how human beings cope using schizoid paranoid grandiose hysteric obsessive and other defensive styles each is costly in many senses and each limits the possibility for happiness and fulfillment understanding and treating patients in clinical psychoanalysis offers insights into what living with and working with problematic behaviors really means through a series of examples of the major personality disorders as portrayed in literature through these fictitious examples clinicians and trainees and undergraduate and graduate students can gain a greater understanding of how someone becomes paranoid schizoid narcissistic obsessive or depressive and how that affects them and those around them including the mental health professionals who work with them

in 1859 samuel butler a young cantabrigian out of joint with his family with the church and with the times left england to hew out his own path in new zealand at the end of just five years he returned with a modest fortune in money and an immense fortune in ideas for out of this self imposed exile came erewhon one of the world s masterpieces of satire which contained the germ of butler s intellectual output for the next twenty years the cradle of erewhon is an examination and interpretation of the special ways in which these few crucial years affected butler s life and work particularly erewhon and erewhon revisited it shows us butler the sheep farmer explorer and mountain climber as well as butler the newcomer to the colonies accepting and accepted by his intellectual peers in the unpioneerlike little city of christchurch sharpening and disciplining his mind through his controversial contributions to the christchurch press but more importantly the book suggests the depth to which new zealand penetrated the man and reveals new facets of influence hitherto unnoticed in erewhon and erewhon revisited the southern alps oh wonderful wonderful so lonely and so solemn the perilous rivers and passes the character and customs of the maoris all these blend to afford new insights into a complex book butler was not the first to create an imaginary world as asylum from the harsh realities of this one vergil did the same in the eclogues nor was he the first even in his own time to protest against the machine as the enslaver of man but his became the clearest and the freshest voice on the biographical side the cradle of erewhon offers new evidence for reappraising the man who for so long has been a psychological and literary puzzle why for instance did he repudiate his first born book a first year in canterbury settlement and why once safely away from the entanglements of london did he voluntarily return to them answers to these and other butlerian riddles are suggested in the engrossing account of the satirist s sojourn in the antipodes

students in first year composition courses across the country discuss and write about touchy subjects like race class gender and religion this book focuses on the latter offering a pragmatic way of working with religious belief as a subject of study in the secular setting of the university classroom based on the work of american pragmatists like charles peirce william james and john dewey this approach considers what religious belief does in the world the tangible consequences of believing or not believing and steers away from questions concerning god s existence or benevolence religion is viewed as a social and political force affecting human interaction drawing on years of experience teaching composition in chile and the united states the author explores real world events such as chile s 1973 coup d etat the resignation of pope benedict xvi and the daily interplay of religious beliefs among family members reading and writing

assignments geared for believers and nonbelievers alike are provided including student essays that make various arguments about religion

a carefully chosen collection of high interest essays that blend fresh contemporary writing with classroom classics the book features strong examples of arguments and narratives from political speeches to memoir the essays cover civil discourse higher education human rights cultural criticism and more now organized by thematic chapter the seagull book of essays is a flexible and concise reader for composition classes and first year writing programs that covers all the basics and features unique contemporary voices
